

Name_____

Date_____

“Circle the face that shows how much you know about each question.”
(Repeat this phrase for each question to ensure understanding of the task.)

Questions:

1. What is capacity?

2. Can you find out how much water a bucket will hold?

Clarifying Question: What would you do to find out how much water a bucket would hold?

3. Which container (show 3 or 4 containers) holds the most? The least?

Clarifying Question: How do you know this container holds the most? How can you tell?

4. Do you know how you could find out?

Clarifying Question: Tell me what you would do to find out which container holds the most?

Conference Template - student records their self-assessment by circling the appropriate face as well as communicating an oral explanation for #2, 3 and 4 which teacher records.
